Re: 7000-SOP-047  
Study Title: Mobilized Mononuclear Cell Apheresis Collection from Healthy Donors for the  
Research Market  
Date: August 25, 2015

This letter is to inform you that on August 24, 2015 the Board reviewed and approved the following item(s) for the above referenced study:

- 7000-SOP-047 Protocol, Revision 18Aug2015
- 7000-SOP-047 Informed Consent Form (Mozobil with or without Neupogen), Version 1.0

The following was also reviewed by the Board and used to make their determination:

- 7000-SOP-047 MOZOBIL® (plerixafor injection) Prescribing Information, Revised: 12/2014

A copy of the stamped approved Mozobil with or without Neupogen Informed Consent Form is enclosed. No other versions of the Mozobil with or without Neupogen consent form should be used. The enclosed form must be signed by each subject participating in the Mozobil with or without Neupogen portion of the study prior to initiation of any protocol procedures. In addition, each subject must be given a copy of their signed consent form.

Please contact Alpha IRB at: **949-542-3882** if you have any questions about the terms of this approval.
